Sir:

RESPONSE

Responsive to the Official Action dated March 29, 2005, the applicants elect, with traverse, the subject matter of the Examiner's Group I, for further prosecution in the above.

Reconsideration and withdrawal of the restriction requirement are requested as a search of all the claimed subject matter is believed, with due respect, to not present an undue burden for the Examiner. At a minimum, rejoinder and allowance of method claims which make and/or use a product of an allowable claim are requested at an appropriate time.

The applicants note, for completeness, that claims 54-63, 70-72, 75-85 and 92 are drawn to inks; claims 64-67 and 86-89 are drawn to methods; claims 68-69, 73-74,

KAMOTO, T. et al.
Appl. No. 10/665,088
April 7, 2005

90-91 and 95-96 are drawn to a recorded image; and claims 93-94 are drawn to an ink head.

The undersigned telephoned and left a telephone message for the Examiner on March 31, 2005, to discuss the Examiner's characterization of the claims as compared to that noted in the previous paragraph. To date, the undersigned has not received a reply. A further Office Action to clarify the record is requested in the event the Examiner believes it necessary. Alternatively, the Examiner is requested to clearly indicate the claims being examined and the basis for any further restriction requirement in the next substantive Action.

The Examiner is requested to contact the undersigned in the event anything further is required in response to the Office Action of March 29, 2005.

Respectfully submitted,

NIXON & VANDERHYE P.C.
